Highlights

Adjustable sport-ready armband
The adjustable armband stretches to comfortably fit a broad range of arm sizes, and is secured with Velcro to keep your device nearby during any activity.

Protective silicone
This case is made out of soft silicone which adds a layer of grip to your player, while it also protects your device against normal wear and tear.

Use with or without armband
Great for working out or hanging out. The included armband is removable, so you can choose to use the case with or without the armband depending on how you want to use it.
